Personal information:

- ✦ Date of Birth: 1st May 1999.
- ✦ Military Status: Exempted.
- ✦ Marital Status: single.

Education:

Bachelor's degree Special Chemistry Department, Faculty of Science | Benha University | 2018-2022

Grade: Good

Experience:

- ✦ Quality Assurance Supervisor at Al-Wafi for Pharmaceutical Industries. (Feb 2026 – Till now)
- ✦ Quality Assurance Supervisor at BIOMED for Pharmaceutical Industries. (Dec 2024 – Feb 2026)
- ✦ Quality Assurance Specialist at Obour modern for Pharmaceutical Industries (Opi pharma). (July 2024 –Dec 2024)
- ✦ Quality Assurance Specialist at BIOMED for Pharmaceutical Industries. (July 2022 –July 2024)

Technical Experience

- ✦ Utility Qualification (HVAC, Water Treatment Unit and Compressed Air):
 - Review of vendor documents and ensuring compliance with the cGMP.
 - Check the Execution of the IQ/OQ with the supplier.
 - Follow up HVAC PQ tests: [Non-Viable Air Particle Count Testing/ HEPA Filter Integrity/ Recovery Tests/ Air Balance and Air Change Per Hour/ Pressure Differentials/ Temperature and Relative Humidity Tests].
 - Prepare and follow up water PQ phase 1 ,2 and 3 tests.
 - Creation of qualification reports.
- ✦ Process Validation:
 - Author, review, execute process validation protocols and validation summary reports for Solid and Sterile.
 - Monitor the production of all process validation batches at all processing stages
 - prepare a process validation report by the end of every process validation study.
- ✦ Machines Qualification:
 - Review of vendor documents and ensuring compliance with the cGMP.
 - Execution of machines qualification verifications IQ/OQ and PQ for multiple machine types of lines: (Capsule Filling Machine, Compression Machine, High shear Granulator. Fluid bed Dryer, Blending Machine, Coating machine, blistering machine in solid line and sterile machines).
 - Familiar with 21CFR Machines
 - Creation of qualification reports.
- ✦ Equipment Qualification:
 - Review of vendor documents and ensuring compliance with the cGMP.

- Witnessing and execution the equipment qualification verifications for multiple laboratory equipment: (HPLC, GC, Autoclaves, Dissolution, Automatic Tablet Hardness Tester, Stability Chamber and Balances).
 - Creation of qualification reports.
- ✦ *Cleaning Validation:*
- Initiation Cleaning Validation Protocols (Decontamination, Solid Train and Cleaned Hold Time Protocols)
 - Determination the Sample Plan, coordinate with the related departments and initiate the final report.
- ✦ *BMS/ EMS Qualification:*
- Review of vendor documents and ensuring their compliance with the cGMP and URS.
 - Follow up of Installation, Operational and Performance Qualification activities which mainly include data compilation, installation verification, electrical drawings check, performing calibration for input/ output measuring devices, operational verifications for HVAC devices, sensors, alarms and commands and software functional verification.
- ✦ *Thermal Mapping/Heat Distribution:*
- Review of vendor documents and ensuring compliance with the cGMP.
 - Creation of mapping reports and performing data analysis for sensor positioning.
 - Reporting any out of limit values/ variations.
- ✦ *Calibration:*
- Follow up the calibration activities and review calibration certificates.
 - preparation of Calibration annual plan and Validation master plan
- ✦ *Department Related Documents:*
- Participate in creation of VMPs
 - Issuance SOPs.
 - Document Distribution and Retrieval.
 - Participate in Risk Assessment issuances.
 - Provide inputs to site master plan and improve it.

Courses:

- ✦ Good Manufacturing Practice (GMP). (2024)
- ✦ Quality Systems Course. (2024)
- ✦ Qualification and Validation Workshop. (2024)
- ✦ Total Quality Management (TQM). (2022)
- ✦ Quality Management System (ISO9001:2015). (2022)

Languages Skills:

- ✦ Arabic: Native
- ✦ English: Very Good

Computer Skills:

- ✦ Microsoft Office (Word – PowerPoint –Excel): very good
- ✦ Minitab: Very good

Personal Skills:

- ✦ Presentation skills
- ✦ Working under stress
- ✦ Social Communication
- ✦ Teamwork.
